Course Description

The Level 4 Award in the Internal Quality Assurance of Assessment Processes and Practices (RQF), commonly known as the Level 4 IQA, is an essential qualification for individuals aspiring to become Internal Quality Assurers (IQAs) in the FE and HE sectors. This qualification serves as a replacement for the previous VI course which was earlier required by training facilities hiring IQAs.

In this way, Individuals holding the Level 4 TAQA qualification gain the capability to oversee the work of assessors within an organisation. This 100% online Level 4 Award in Internal Quality Assurance, accredited by UK OFQUAL, offers flexible support, enhances knowledge in quality assurance across various subject areas, and ensures proficiency in IQA responsibilities.
