Qualification

Level 3 Diploma for
Residential Childcare
(England)

Course Description

The Level 3 Diploma for Residential Childcare (England) is an Ofqual regulated qualification, aimed at learners who want to gain the knowledge, skills and understanding needed to work effectively with children and young people in a residential childcare environment. This Level 3 Residential Childcare qualification builds learners' knowledge and understanding of child and young person development, safeguarding, communication, risk management, positive relationships, health and wellbeing and supporting positive outcomes for children in residential childcare settings.

In addition, our Level 3 Diploma course for Residential Childcare is focused and specialised in the areas of safeguarding and child protection; supporting emotional wellbeing and resilience; promoting positive behaviour; supporting learning and development; communication and information handling; and working with children and young people who may have experienced trauma, abuse or neglect. Individuals will also learn about professional practice, working with other agencies, equality and diversity and supporting children and young people in a safe, nurturing and supportive residential childcare setting.
